To whom it may concern:

It is my pleasure to recommend Jordan Levinson for a position within your company.

Jordan and I worked together at Meriplex Communications where I was his Director for 2 years.

I thoroughly enjoyed my time working with Jordan and came to know him as a valuable asset to any team. He is honest, dependable, and incredibly hard-working. Beyond that, he is an impressive problem solver who is always able to address complex issues with strategy and confidence. Jordan is always willing to offer his time and assistance to any of his team members when they need help.

His knowledge of telecom and expertise as a network engineer was a huge advantage to our entire company. He put this skillset to work in order to help our company achieve record breaking revenue milestones month after month, year after year.

Along with his undeniable talent, Jordan has always been an absolute joy to work with. He is a true team player and always manages to foster positive discussions and bring the best out of other employees.

Without a doubt, I confidently recommend Jordan to join your team. As a dedicated and knowledgeable employee and an all-around great person, I know that he will be a beneficial addition to your organization.

Please feel free to contact me should you like to discuss Jordan's qualifications and experience further. I'd be happy to expand on my recommendation.

Best wishes,
